

Twist and Shine - Easy Read

What is Twist and Shine?

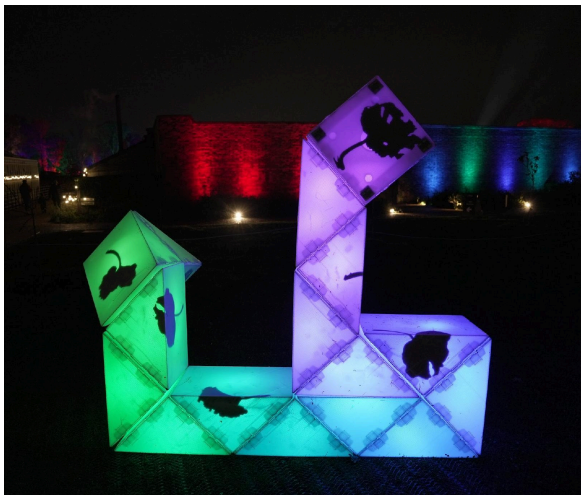

Twist and Shine is a lot of big, glowing sculptures for playing.

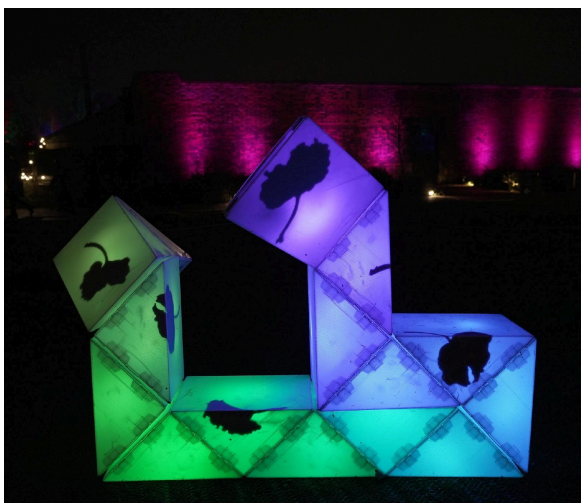

The sculptures shine from the inside.

Together, people can twist them.

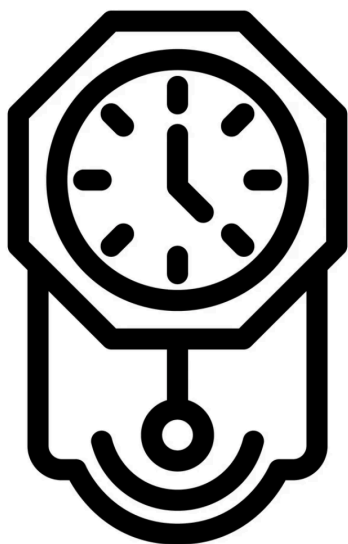

When they twist, the shapes change.

It is for everyone to play with.

What can I expect?

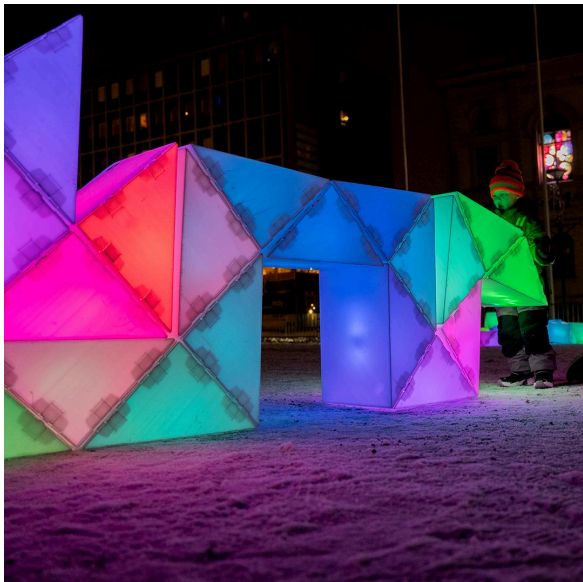

You will arrive and find many big sculptures.

You can look at them as long as you want.

You can watch other people play with the sculptures.

Some sculptures are big.

Some sculptures are small.

You can try twisting smaller sculptures first.

When you are ready, you can go up to a big sculpture.

Join a group, or ask people to help you.

Please twist gently.

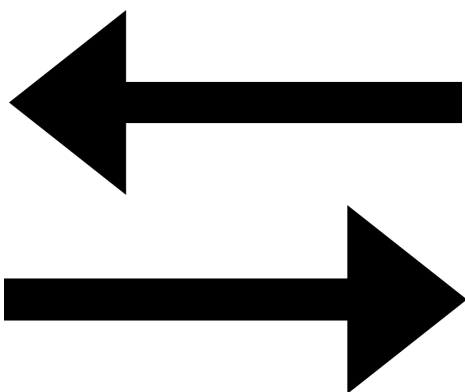

Please pay attention to volunteers.

Happy with your shape?

You can take pictures of the shapes you make.

You can leave, or come back, whenever you want.

Over time, the sculptures will change!

Come back to see what other people make.
